- *General Labor*
  - Provide support for the Journeyman Carpenters and Apprentice Carpenters to complete jobs in a safe and timely manner, meeting all codes, safety standards and elite custom home quality standards.
  - Maintain tools and materials needed to complete the job.
  - Roll tools out in the morning and pick them up at night.
  - Keep the jobsite clean and organized at all times.
  - Learn basic carpentry principles and methods.
  - Perform other related duties as assigned by supervisors.

### ***Minimum Requirements***

- *Hold a valid driver’s license with a driving record deemed insurable*
- *Show up on time and be consistent*
- *Key Competencies*
  - Ability to be a team player.
  - Ability to listen, stay focused and follow instructions.
  - Ability to learn and adapt quickly in a construction environment.
  - Must be able to satisfactorily complete safety programs as required.
  - Must be able to lift 100 lbs.

### ***The “Ramey Way”***

Ramey Construction’s mission is to build a better community inside and outside the walls of our company by demonstrating integrity, passion for hard work and world class craftsmanship in everything we do! A finished product that reflects our innovation, passion and pride in what we do is what drives us to be the best of the best. If there is a problem, we find a solution. If a design detail doesn’t work, we address it. If something can be done better, we do it. This is the “Ramey Way.”

At Ramey Construction (RCCI), our management team is committed to our “people first” value through honest and open communication with our employees. To this end, we are intentional about demonstrating the value of our workers by providing a career where personal and professional advancement is not only possible, it is encouraged.
